

Tips and Tricks for the Teacher's Toolbox

Vialogue and Poll Everywhere

Add a quiz to a video or promote discussion using Vialogue!

1. Create:

Give people something to talk about: upload a video or link to one from YouTube or Vimeo.

3. Interact:

Add timestamped comments, surveys, and multiple-choice questions to your discussion.

2. Invite:

Make your vialogue open to everyone or a group of your choosing.

4. Share:

Take your conversation on the road by embedding it in an LMS, website, or blog.

Engage students within PowerPoint or Google slides with the Poll Everywhere add in!
